Good morning Michael,
I noticed that you were on the distribution list from NITTEC regarding the 1:00pm call today related to the Freedom Convoy headed to the Peace Bridge on Saturday.
Could you give me a call at Personal Info. I would like to discuss with you how imperative it is to not allow the protestors to establish a blockade on the bridge or plaza and avoid the Windsor situation at the Ambassador Bridge.
We have some ideas on how we can accomplish that.
Thanks
